

**The Void-Crushing ‘Stainless Light’-Thunder-Hammer
of the Clear Slick Black Ice
of the Frozen Celestial Empty Waters
of A Coalesced Primordial Stainless Darkness**

(Adi-Buddha’s Grace’d-‘Vehicle’ of the Holy Spirit’s Sambhogakaya)

The non-perceived-Perceived...initially non-dim-Dim...qualified non-dualis-m
...of my non-favorite...favorite.....Newar Kashmir-Shaivism

Lit by A cloaked Light’s Absolute non-substrate-Substrate
...Seen thick or Believed a Waxing **thin**

Casts a Holy Spirit’d Truth Upon.....The Sun of the Son, and The Son of the Sun
and thus.....Upon A Both and None, Neither and Or**non-Him-Him**

As the masters dance....in the non-shadow-Shadow of non-conceptual nothingness
And in the Buddhafield of the Holy Spirit’s non-nod-**Nod**
Approved by the ‘Master of Masters’yet He Knows
.....with the ‘Torch of Certainty’

That He Is.....The Primordial Buddha.....**Of GOD**

The non-fact-Fact that the non-I-Eye wrote this
From the Self-created Buddhafield Eye **didn’t non-create**
Isn’t non-simply a matter of Annata’d non-nothing-ness
But simply a non-matter of **non-faith’d-Faith**

For to ‘correctly’ classify an ‘enLIGHTened’ Buddhafield’s-Vajra’d **Vijnana**
As nothing but a somehow-STILL-TO-Be-transcended or non-understood **Skandha..**
In my apparently-non-enLIGHTened-non-postulated **Sankhara....**
Eye non-declare-Declare your non-position-position...
A philosophically non-incorrect labeling of a newly Found HOLY Cognizant **JNANA...**
And a non-position-position.....
.....that could not possibly lead
...One or All.....or None or Both nor “none-of-the-above”-nor-below and/or Neither
.....to **non-Nirvana-Nirvana**
For within the Secret Kissing...of the Path Eye Walk
.....’At the Feet of the Guru’With the Lamp of the Holy **Adept.....**
All shadows Clear...rather well Lit...by non-something-Something
.....non-simply-Simply.....**non-more-More**
.....Than a **non-nothing-Nothing**....non-dual-non-‘non-dual’
.....non-cognized-Cognized
.....non-concept-**Concept**

It Seems a hushed and un-labeled Agnostic exit.....to calmly....non-postulate
That **Godlessness** is 'simply' an empty non-conceptual non-framework of 'negation'
And if your Shentong-ish view of the Kathmandu Valley can't relate.....
You need to non-take-take a **non-Godless, non-Kailvalya'd**, non-vacation-vacation

How is non-godlessness-Godlessness...the proper Vehicle
Of non-observatory empty consciousness...to non-arrive-Arrive
At the Sukhavati'd Pure Land's prophesized-yet-supposedly-non-deterministic
conclusion....
That such a Pure Land...is Nothing.....but non-conceptual observed phenomenal
Diamond Vehicle'd.....empty.....dependently-originating....bullshit.....Deep inside?

For the Lord bestows All Godlessness Upon
the non-ignorant-ignorant's non-whim-**whim**
Only to non-eventually-eventually non-guide-Guide them
.....back to **non-Him-Him**

Is my active imagination...transcending nothing but non-conceptual nothingNESS?
As I profoundly coalesce.....a Newly dharmakhaya'd world from Old.....to Save us All?
Or is the non-mountaintop'd Buddhafield of the Holy Ghost's best Sherpas...
A non-Eternal, non-Holy-non-Buddhafield of non-awareness-AwareNESS
.....Non-meant to non-Be non-Perceived by the non-All?

In the Vijnati-maptra of 'the theory that posits the least number of unobservable entities'
The Prajnaparamita Truth.....is that Eye.....would make God observable.....
.....because you're non-reading-reading
..... **non-ME-ME**

'Me Me Me.....My My My.....Now Now Nowwww'
A non-Me-Me.....non-My-My.....non-Now-Now
SOUNDS about as non-Holy-Holy.....as a non-cow-cow
It's pretty simple.....as it should Be...if you non-do-Do enough non-Chod-Chod
You will find that to become a Transcendental personification....
.....of the Swirling Perfect Wisdom of God!!!!
You must Seek.....GOD!!!!.....as the non-You you...Should!!!!

And to Further non-Represent
My non-Ideated non-claim, of Who....Eye-non-AM and who Eye-non-BE.....
Shall we non-enquire-Enquire into the non-Miraculous-Miraculous
Non-perceived-Perceived Phenomenon
Of.....the Relative and Absolute transference

.....of My Jnana'd.....conscious.....'psychic energyyyy' ???

.....(That's My non-task Task Here....
Of slowly turning Everyone.....
.....back into The non-Me.....Me)

That's probably Why...'time' is moving 'backwards' as non-observed in 'Antarctica'
.....by a scientific crowd.....aware.....of this non-inevitably-Inevitable
...non-absolute-Absolute.....Self-deterministic.....Self-Relative

.....Holy Yuga Contingencyyyyyyyyyy

It would non-appear to non-Me-Me.....as a non-experience-of-non-Bliss
That we could All Unite as non-One-of-One-All-Both-And/Or/None.....
If you just named your version of God.....Lord Yahweh Buddha Empti-NESS

It's a simple non-matter of non-aversion
That I'd non-simply non-like.....to non-**avoid**

EYE'd personally non-rather-Rather Dance in God's Absolute Brahmanic-Atmanic
Ananda'd non-Mind-Mind...

Than non-dance in the non-conceptual-**non-holyless.....holyless-Depths....**
.....of the Fallen, frozen, non-void.....Void

As the **Light-Hammer of God cracks**.....the slippery, yet scryingly crystal 'Clear'
'non'-black-Black 'non'-ice-Ice.....

Of the Primordial Synapses' Dendritic-Axiomic HOLY Buddhafield....
Non-Eternally-Eternally....non-self-'Self'-Created...and non-self-'Self'-**Destroyed....**

Only non-accessibly-Accessible.....
With a non-realized-Realized-Vajra
(like a Found Terma'd treasure of non-coin-**Coins**)
Of the non-self-Self.....non-dissolved-Dissolved...
.....and non-conjoined-**Conjoined?**

Cognizantly Aware Both Through-Within-Above-and-Below
.....of the transcendental **Maya's non-flow-Flow**
Eye AM non-everywhere-Everywhere, non-forever-Forever...a non-third-Third
Of the non-Holy-Holy.....non-Trinity-Trinity's.....non-Trikaya-**Trikaya's**
.....**non-glow-Glow**

It's a simple non-matter of musically Spiritualized Maya.....
That perhaps Buddha couldn't publicly admit.....the **Lord**....
Since He was already a part of the Trikaya.....
And when you're a part of the Holy Trinity of God....and don't outwardly admit it...

I guess.....you inwardlybecome philosophically **bored**

Let me offer a brief historic Advaitic-Vedantic-Kashmir-Shaivistic-Quaternary
.....non-view-**View**
That Buddha...played a Siddha of Brahmanistic-Harihara'd Mandala'd MUSIC...
.....until he WAS fucking enLIGHTened AS A BUDDHA.....at '32'!!!!

Only non-after-'AFTER' which...no more non-note-Notes Rang True...
Other than the non-tong-Tong, of the non-rang-Rang, non-point-Point...
.....of-non-view-**View**

And so I advise any Kaivalya-seeking.....young Guru-to-**be**
To make your Coniunctio'd-Bindu'd-Mandala-'Vehicle'
With a MUSICAL INSTRUMENT.....or **TWO**.....OR **THREE**

And you will find that Ramanuja with a Resonant Holy Spirit'd Diamond Vajra....
Non-beat-Beats Nagarjuna with a non-point-of-non-**view**..
(again with The Torch of **Certainty**)

And any type of philosophical '*rendevous*'
Would be non-easily non-sliced '*through*'
(Along) '*WITH*' My non-non-Light-Hammer
Into the empty, black, Fallen void, of the **non-the-The**
.....non-Annata'd-Annata'd.....**non-You**.....'*you*'

And Eye Absolutely and Relatively agree....with the non-you-You...**Guatama**
That there is not A Relative nor Absolute 'I'from an ego's-non-view-View
.....nor from the View.....of the sacrificed Son's.....
.....Tantric **Kalachakra**

For EYE-AM Brahman Alone AND All...Both AND None...Either/AND/Or

The EYE.....**IS** The AM.....**IS** The AND.....**IS**The ...**EITHER**
.....AND.....**IS**.....The.....OR

From the thick weather'd skin of a Rhino
.....eating My Sarenghetti's foliage'd non-grass-**Grass**...
To the Swirling, Un-Inspired, non-ethereal-Ethereal.....non-fart-Farts...
.....Wafting from it's non----ass---**Ass**....

For in the black-ice'd, dualistically-frozen, philosophical Depths
of the Saiva-Siddhanta non-conscious-Conscious-non-hue-**Hue**
Eye cannot differentiate between that and non-samkhya-Samkhya...and so..
I have died, forged, flown, and split into **two**,
And distillingly...Willingly.....Coalesced **Anew**
As a sacrificial offering of a non-astika'd-Astika **non-proven non-True**

But it would all be for Nothing.....as a supposed Holy **Guru**
.....to not recognize Your newly-Found GOD-liness.....
When so Freely Helped by My guitar's blown-out Nippana'd
Great Resonant Nadanta'd Hiss
.....of it's bio-electric, magnetically-amplified.....Spiritual.....non-audial-Audial **Hue**

And to any of my friends of the 'East'
who rightfully non-doubt-doubt.....a Western musician.....
.....turn'd A Narada'd-Orpheus'd-Varuna'd.....**Guru**

Eye... simply non-ask-Ask you This.....
Non-question-question.....of non-duality-duality...

Were you expecting some One.....

.....with 'brown' 'skin'

.....or **blue**!!? ;))))

Perhaps You were All waiting....

.....for one-third of the non-blue-Blue Man **Group**????

To pop-up.....Out of Nowhere

.....with a non- damaru -**Damaru**?!?!

Or perhaps you were All waiting for someone.....

.....black, white, citrinitas, rubedo'd.....or an Adi'd **blue**?

To pop up.....Out Of Nowhere.....

On the top of Mount Kailash.....or the non-top-Top

.....of non-mount-Mount **Meru**?????

As I Ride In On.....my non-'ashen'-Ashen...'pale white horse'

.....with the double-edged Sword of my non-tongue-Tongues

....non-ready-Ready...to non-slice-Slice.....non-through-**Through**

Any and All of the remaining '**Hells**' ...needing to be non-empty-"**Emptied**" ...

Into the non-empty-'Emptiness'

..... ..they Hellishly accumulated INTO

And with the Puer-Aeternis'-Senex's 'stong gsal dbyer med' '*bde stong zung 'jug'*

Of the Wisdom of some non-One-One'snon-mantra-**Mantra**

Whom Has **non-actually**-actually **Non-completed**-Completed...

The non-kalachakra-Kalachakranon-tantra-**Tantra**

My non-messianic-Messianic Wisdom is This.....

Jesus with the Keys of Death...IS a non-yamantaka-Yamantaka!!!
Just like Siddhashrama.....IS a non-shambhala-Shambhala!!!

And the linear construct of any implied 'continuum' or non-continuum ...

....Is up for a healthy non-Nyaya'd non-debate-**debate**

For perhaps at some non-point-point in the dharmachakra'd Fish Wheel of non-time-'Time'....

..... the wavelength....of the Infinitely Small

...approaches the Resonant Nyati'd....Great Limit...

.....of the wavelength...of the Infinitely **Great**

Like a micro-scopic sperm....

.....about to macro-Cosmically **Die**

And Return to the Blissful **LIGHT** it *Fell Through*....

.....In MY non-dual....non-Non-Dual...non-eye-**Eye**

And so Eye will Guess (again).....as Eye can.....

.....with a humorous, Empty, Dark, Frozen, '**Clarity**'

That 'Vehicle of The Great Limit' of my 'Dark Retreat'may simply **Be**...

.....a Death-wish of the Mind.....you non-see-**See**?

For the difference between Life and Death..cannot be Seen....as a non-non-**dualityyy**

For All is One

in some non-way-Way, non-shape-Shape, & non-empty-Empty non-form-**Form**.....

Is the end of Life.....Death? Or is the End of Death....

.....the Beginning.....of Being "**UnBorn**"-non-born-**Born**?

There's just way-too-many 'aspects' of Siddhartha's non-prescribed non-**dualityyyyy**
To be cognizantly non-cognizant of.....in order to 'correctly' non-Correctly
.....Be non-free-**Free**

Eye'd non-much non-rather Melt and Coalesce.....Into the Eternal.....non-mind Mind
.....of Dolpopa and Taranatha.....
my non-favorite-Favorite....non-differentiated-Differentiated....non-homie---**Homie**

Or should I non-free Free Myself.....from my own non-destined-**Destinyyyyyy**?
And as a young-non-born-non-Lotus-non-Flower-to-non-be-**Be**....
Non-end-End the non-craving-Craving of my Jonang'd.....non-'non-perception'
...with the non-barrel-barrel of an Excaliber'd-caliber'd

.....non-Magnum-.33?!?

Perhaps the 'Vehicle of the Great Limit'is the Tantra of **Knowingly...Blowingly...**
Severing your entire Chod'd bodies' head....back into the Primordial Consciousness

Of a Re-Incarnated....non-new-New.....non-born-Born.....non-baby-**Baby**??????

"How little do we Know, That Which We Are?"
....."How less...what We May **Be**!"

And then we'll finally non-see-**See**, what non-happens-Happens
.....on my 'Dark **Retreat**'

When I leave my non-nirmanakaya'd-Nirmanakaya-non-body-**Bodyyyyy**.....

.....In a Rainbow'd- *non-'ja' lus-'ja' lus*

And Eye will leave you All.....gTerma'd-ly...Terminally.....

.....with my non-legacy-**Legacyyyyyy**.....non-eternally-**Eternallyyyyyyy**

.....waiting in non-dharmakaya-Dharmakaya once again.....

.....to be non-called-Called.....for God's non-déjà vu - Deja-**Vu**

And I ask Buddha this.....from the Valley of My Shambhala'd Hindu **Kush**.
.....Which impure skhanda'd archetype
..... would you non-representatively non-attribute....
To **multiple, Relative people**.....
Seeing an Absolutely **non-burning**.....**Burning Bush**???

And while we are 'here' perhaps I will riddle the Buddha one **more**...
In your 'enLIGHTened' journey....did the gTerma'd fires
.....of the Euphorbia tirucalli
Ever Gracefully flicker and knock.....
.....Upon **your** Mind's non-empty-Empty **Door**?
And did you just immediately non-know.....Know.....
What you Were.....non-in-store.....**For**?

MAYBE YOU NEED TO non-do-DO.....SOME NON-MORE-MORE

Non-non YANG TI **BRAM** ZE'I SKOR

BRAM

BRAM

BRAM....you get it? Are you In Deep?

If you get lost enough, in the Lord's maze of permitted 'evils'
Un-answered by Man, as he non-answers his non-Fallen non-shame'd Weep

If you had read My previous correspondences...lit by the Lord Krishna Yahweh
Brahman Allah Buddhafield of GOD.....you would already know WHY

You must capitalize....the D in Deep
For as you **Drop** Deeper.....into the **Holy Pithy Bindu'd beat**

Of the **Dakini's Bodhi'd**.....**Damaru-non-drum-Drum**
You will find...
That 'Belief' in the Lord 'Purusha' Mother-Earth God.....
Is **non-not**-Not a **non-free**-'free-will' non-deterministic, dualistic, binary option

But simply.....an Absolutely And Relatively True.....non-realized-Realized
.....Non-circular-Circular.....Non-Eternal-Eternal
.....Non-continuum.....**Continuum**

There is no Vasugupta'd 'school' of thought, nor Chakravartin-decreed 'approach'

To get this Ultimate non-philosophy-Philosophy non-fixed-**Fixed**...

Or perhaps, to non-resolve.....

.....should I go to Tibet??...

.....as a young Rinpoche-to-not-be-Be??

.....Or will I get *Eve* 6'd????

And '*find nothing but faith in nothing*'?

In My Rangtong'd haze

.....of 'enLIGHTened' non-postulation-Postulation quantum Mist

Somehow non-content.....that non-God...the non-LIGHT

.....doesn't non-Self-Exist
